Welcome to Cub Scout Pack 800

To avoid requiring our Scouts to raise money for our scouting program by going door to door selling products or requesting donations from friends and family, the Parents of Pack 800 Fee of $40.00 includes all the fees necessary to cover the costs of running our local program. These programs include awards and patches for advancements, funding the Bike Rodeo, Pinewood Derby, and other Pack 800 events. Pack Fees and Advancements subsidizes the annual Blue and Gold Banquet, special service projects, a contribution to Scout Council, and expenses such as leader training, meeting rooms, and refreshments.

Scouting is a real bargain if you compare it to the cost of AYSO soccer ($85 for three months), NJB basketball ($95 - $135 for three months) and other extracurricular activities. Remember, Scouting is a year round program that teaches our youth life skills, far more than just the rules and skills of a given event.

We look forward to You and your son's involvement in Scouting
